Subject: California Proposition 65 Statement

Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986) is a California law that requires businesses to notify Californians about significant chemicals that cause cancer or birth defects or other reproductive harm. The law requires that no entity doing business in the state of California knowingly and intentionally exposes an individual to a chemical known to the state of California to cause cancer, birth defects, or reproductive toxicity without first giving a clear and reasonable warning

Whereas Valworx is in the business of selling actuated valves and associated accessories (the Products) and;

Whereas the list of chemicals required to be disclosed can be found at
<http://www.oehha.ca.gov/prop65>;

Valworx therefore declares under its own authority and based on knowledge and belief the Products do not contain any of the listed substances from the California Proposition 65 list.
