Subject: REACH Declaration

REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals) is a European Community Regulation (EC No. 1907/2006 et seq.) requiring notification of the presence of Substances of Very High Concern (SVHC). The following statements refer to REACH EC No. 1907/2006 et seq. :

Whereas Valworx is in the business of selling actuated valves and associated accessories (the Products) and;

Whereas, Valworx does not supply, use or manufacture chemical substances as defined in Title I Article 3 ¶ 1; and

Whereas Valworx does not recover chemicals from waste as defined in Title II Article 2 ¶ 2; and

Whereas Valworx is not an importer of a polymer as defined in Title II Article 6, ¶ 1 (a) and (b) and therefore not required to register to the Agency as required under Title II Article 6 ¶ 3;

Valworx therefore declares under its own authority and based on knowledge and belief the Products do not contain SVHC in concentrations greater than 0.1% w/w nor in quantities greater than one tonne per year as defined in Title II Article 7 ¶ 1 and 2; and

Therefore, the Products are compliant with the REACH declaration.
